

## Yearly Development Plan Update

As part of the annual health check required to ensure your club retains its Clubmark award the following update will need to be provided on a yearly basis, until resubmission is due. It is always good idea and best practice to carry out an ongoing evaluation of the implementation of your development plan, this will help give you the guidance to do that.

1. Club Name

2. Initial main targets identified in the Development Plan for the past year

3. Assessment of main targets to date

4. Overall satisfaction with progress to date

5. Revision or change in focus of any main targets, if any

6. Other Comments
