Elite Sportspersons Academic Entry

DCU has also put in place a special academic entry scheme for elite sportspersons for all its undergraduate degree courses. A number of academic places are reserved for outstanding candidates who have achieved a very high level of sporting performance and who are committed to continuing to develop their sporting and academic careers. Under this scheme, applications are not assessed solely on the basis of academic performance, but sporting achievements are also taken into consideration.

Further Information and application forms for the Elite Sportspersons Academic Entry Scheme are available from: www.dcu.ie/studentsport/elite_entry.shtml

Please note this is not a sports scholarship, it is an entry mechanism to study in DCU. Application deadline is 1st of May.
