

## Swimming Competition Pathway 2022-2023

This document explains the pathway that Swim Ireland have in place from the time that an athlete begins their competitive career until they reach National level competition.

All Swim Ireland competitions are open to all Swim Ireland registered members subject to relevant qualification criteria as applicable. At National Meets, specific qualification criteria are available for athletes with disabilities. Clubs and Regions should make reasonable adjustments to include athletes with disabilities at their meets.

In all cases, coaches should ensure athletes meet an adequate standard to enter any competition

### Ages:

Athletes ages will be defined as their age on 31<sup>st</sup> December of the year of the competition - e.g., an athlete born in 2010 will swim as a 12-year-old during 2022 and a 13-year-old during 2023. This applies to all competitions except for schools which will be defined as 31<sup>st</sup> August of the school year and Inter/Intra club Galas who can use age on day if preferred.

### Time Standards:

Qualifying Times: Where a meet has qualifying times, athletes who have achieved these times will be accepted into that event.

Consideration Times: Where a meet has consideration times, athletes who have achieved these times will be considered for entry into the event based on entry numbers.

Athletes who have not achieved either qualifying or consideration times will not be accepted into the event.

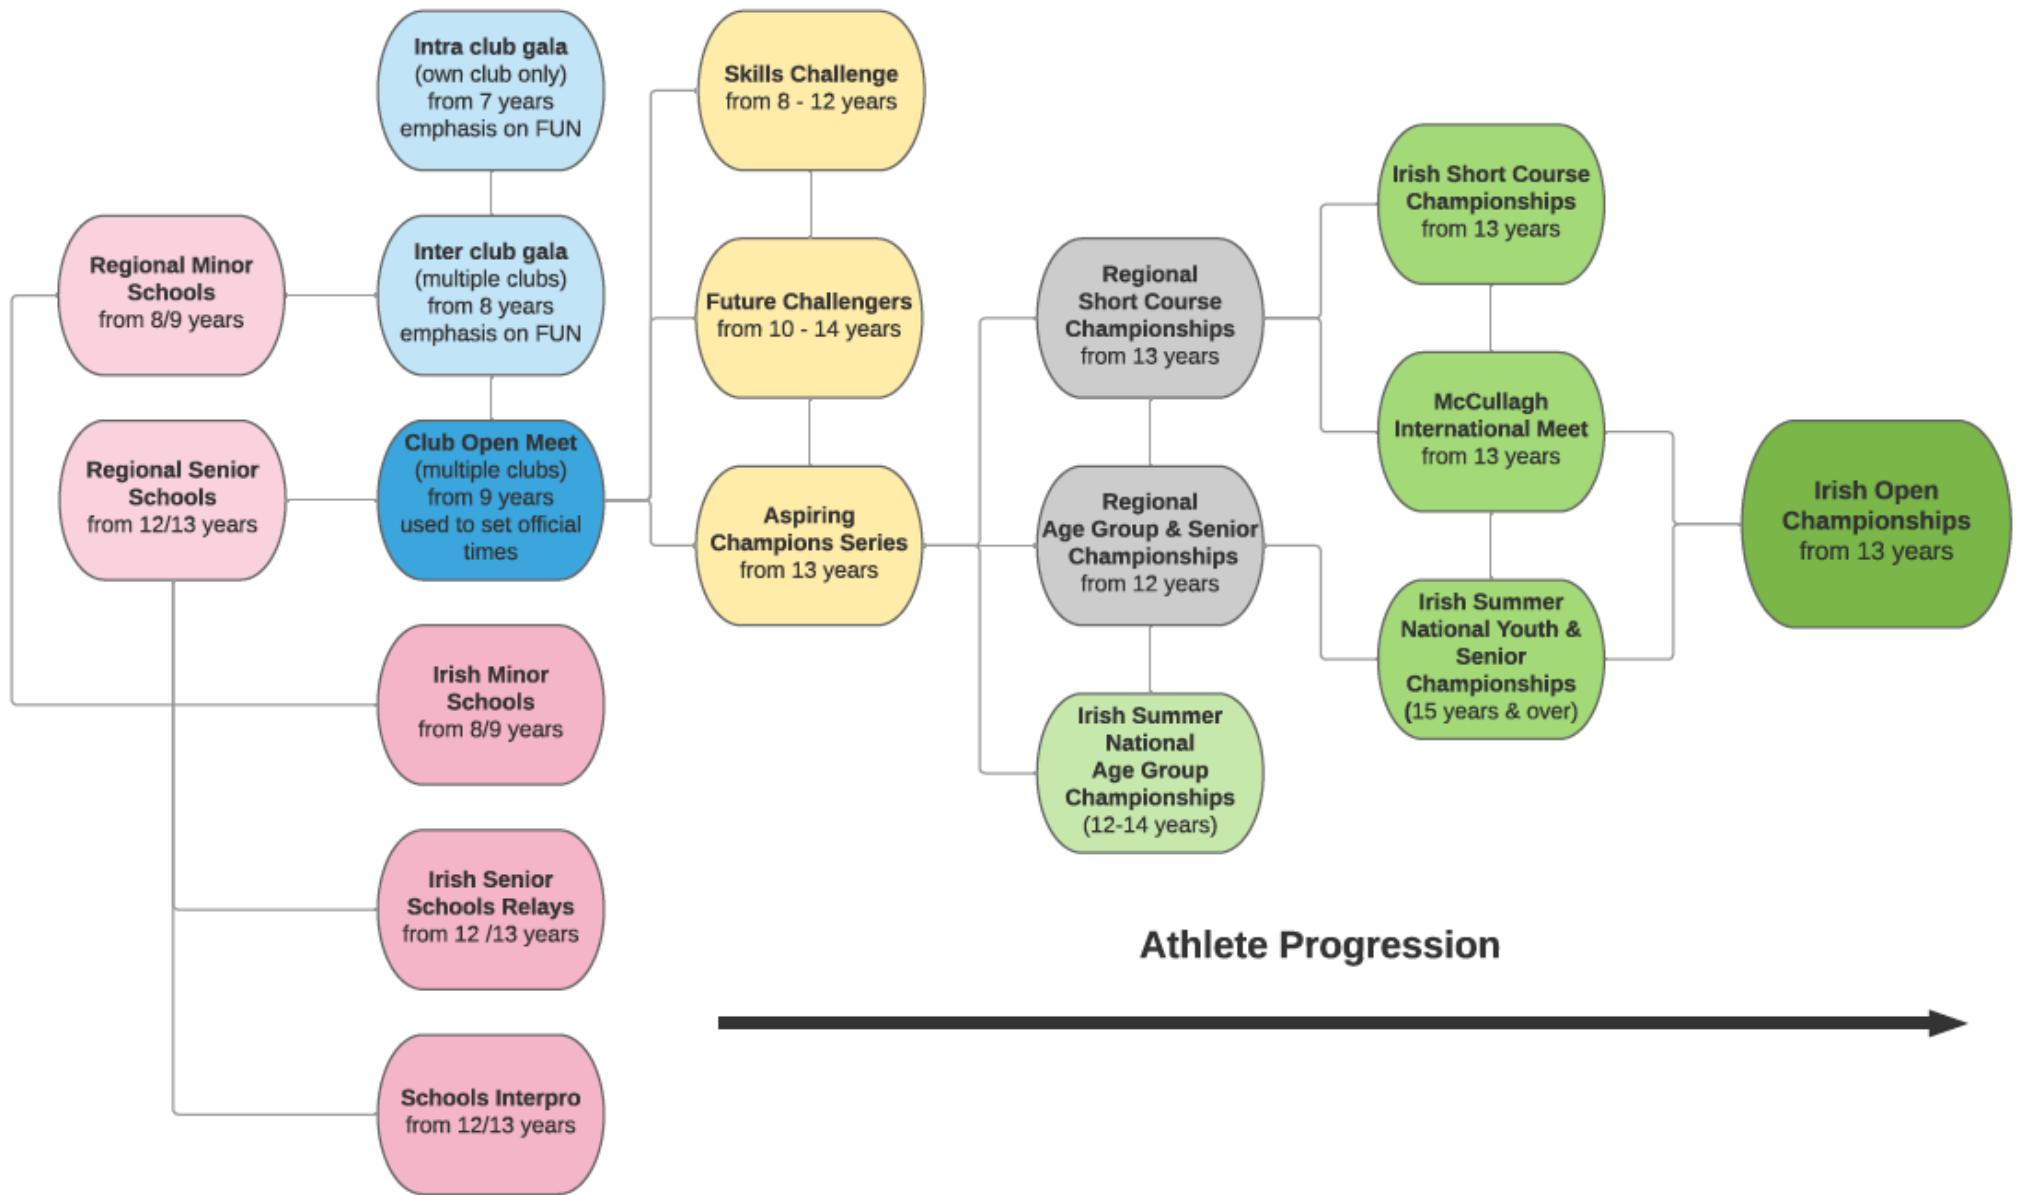

Upper Cut Off Times: Where a meet has upper cut of times, athletes must be SLOWER than the designated time to be accepted into the event.

### Competition Types:

A reminder that all athletes, coaches and team managers must agree to the Swim Ireland Code of Conduct and should abide by this at all times. Anyone who is in breach of the Code will be reprimanded. Officials are volunteers who give of their time freely and should be treated with respect at all times.

Clubs attending Offshore meets may nominate these for qualification for Irish National Meets. Approval must be sought from Swim Ireland in advance of traveling and Hy-Tek results must be sent after the meet. Athletes registered with a Swim Ireland club who are resident primarily overseas DO NOT need to seek approval from Swim Ireland for such meets. However, they should send their results to their home club and be prepared to send copies of the results to Swim Ireland on request.
