

Returning to the pool?

Here are the key guidelines to follow:

Do not swim if you have any symptoms

Maintain social distance at all times.

Follow your pool's protocols

Minimise time in changing rooms:

Shower at home before and after

Wear swimwear to pool, under clothes

Use all available hand hygiene stations

Protect fellow pool users:

Take your own equipment - Do not share

Exhale underwater wherever possible

Do not overtake while swimming.

Stand well away whenever resting
