### **Swan Leisure: Area Pool Manager**

At Swan Leisure we aim to exceed our client's expectations as well as foster a feeling of community spirit within our centre. We pride ourselves on valuing our staff and will always strive to assist you in your progression within the industry.

This is an excellent opportunity to join an expanding business for an experienced Aquatics Manager. We are seeking a Pool Manager to work alongside our Swim Pro Kevin Williamson to oversee two locations. This role is ideal for someone seeking career progression and is a motivated, hands-on manager with a background in staff development and quality assurance implementation.

Three years management experience within a busy leisure centre, advanced swim teaching, pool plant and lifeguard qualifications are necessary.

#### **Duties and Skill required for an Area Pool Manager Role are:**

- Oversees and coordinates the recruitment, training, development, scheduling, certification and performance of employees; supervises the day-to-day activities of staff.
- Oversees the implementation of our business strategic plan.
- Fosters and promotes the company values
- Oversees and coordinates the administration of the facilities, to include scheduling of facility operations.
- Oversees the maintenance of the pools, to include chemistry, climate control, cleanliness, and related maintenance.
- Ensures that all appropriate water, environmental, health and safety standards are maintained.
- Develops, implements, and oversees a variety of aquatics programs.
- Participates in and teaches aquatic sessions as necessary.
- Prepares statistical reports monthly.

Salary: DOE.
