## Swimming Domestic Competition Plan (2021-2022 Season)

Please consider the content of this document alongside the associated 2021-2022 Season Plan

### Galas

The emphasis for galas is on 'fun' in individual and/or relay swimming. If prizes are to be awarded, they are for participation rather than awards for first, second and third positions within a race. The focus is on club/team representation and athletes compete for a finishing position which provides their club/team with a point score towards a club/team accumulative score

### Meets

The emphasis for meets is on individual/relay performance for a time and a finishing position. Meets will usually swim consolidated heats with outcomes declared from either a Heat Declared Winner basis (HDW) or from athletes qualifying for finals from heat swims

### General

All Swim Ireland competitions are open to all Swim Ireland registered members subject to relevant qualification criteria as applicable. At National Meets, specific qualification criteria are available for athletes with disabilities. Clubs and Regions should make reasonable adjustments to include athletes with disabilities at their meets.

In all cases, coaches should ensure athletes meet an adequate standard to enter any competition

All competitions (other than schools' competitions or Inter/Intra Club Galas) to be age classified as of 31<sup>st</sup> December within the year in question. The plan follows a sequential swimming development model in age bands as follows:

- Intra-Club Galas from 7 years upwards. Such galas can be organised on 'blank' weekends on the season plan
- Inter-Club Galas from 8 years upwards (other than the Swim Ireland Christmas Cracker Gala which will be from 7 years upwards). Such galas can be organised on 'blank' weekends on the season plan
- Club Invitational/Open Meets from 9 years upwards. Such meets are predominantly to be utilised for entry into the Future Challenger Series, Aspiring Champions Series and/or the Super Series. However, they may also be used to qualify for Regional Championships and National Meets subject to licencing requirements. Such meets can be organised on 'blank' weekends on the season plan
- Regional Skills Challenge (In-house) from 8 to 12 years in the year that the season starts i.e in the 2021-2022 season, athletes born 2013 to 2009 are eligible to participate in such competitions
- Regional Future Challenger Series from 10 to 12 years
- Regional Aspiring Champions Series from 13 years upwards
- Super Series from 13 years upwards for females and 14 years upwards for males
- Regional Age Group & Senior LC Championships and National Division 2 Meet from 12 years upwards
- Regional SC Championships, National Meets/Championships from 13 years upwards

### Swim Ireland Tech Suit Policy

Athletes aged 12 years old and younger (age as that prescribed by each meet's entry conditions) will not be permitted to compete in a tech suit in any swimming competition which falls under the jurisdiction of Swim Ireland – all Swim Ireland licensed/sanctioned meets on the island of Ireland. The following statement must be added to the meet conditions/information for all competitions in Ireland:

*“Athletes aged 12 years and younger (age as defined in the meet conditions) will not be permitted to compete at this meet in a tech suit. A tech suit is defined as any male or female swimsuit manufactured using fabric with water-repellent properties or using any bonded or taped seams regardless of its fabric. Athletes aged 12 years and under will be disqualified if officials observe such an athlete competing in a tech suit.”*

The full policy is available [here](#).

### Definition of Qualifying/Consideration Times

- When an athlete achieves a Qualifying Time set within the parameters of a particular set of meet conditions, such an athlete is guaranteed entry into this event

# Swimming Domestic Competition Plan

## (2021-2022 Season) Explanatory Notes

- When an athlete achieves a Consideration Time set within the parameters of a particular set of meet conditions, such an athlete will be considered for entry into this event. Meet managers will make their decisions based on entry numbers and cut off accordingly per event
- When an athlete does not achieve a Qualifying/Consideration Time set within the parameters of a particular set of meet conditions, such an athlete will NOT be considered for entry into this event

### Annual Season

- The season will be defined as the period 01/09/21 – 31/08/22
- The National Performance Director (NPD) will provide a required Programme of Events for all National and Regional Championship Meets
- The National Performance Pathway Manager (NPPM) will provide a Programme of Events for the Future Challenger, Aspiring Champions and Super Series. However, each Region can adjust the order of events to suit their needs
- Each Region will write their own Qualifying and/or Consideration times for Regional events based on the demographic of their athletes. The NPD (in consultation with the Performance Advisory Group) will write the Qualifying Times for all National Championships and the National Division 2 Competition

### Short Course Season (Period 1)

- All events to be competed in short course pools only in the period 01/09/21 – 31/12/21
- The Regional culmination of the short course season will be each Regional SC Championships
- The National culmination of the short course season will be the Irish National SC Championships
- The International culmination of the short course season will be the World or European SC Championships

### Long Course Season (Period 2)

- The Regional culmination of the long course season will be each Regional LC Championships
- The National culmination of the long course season will be the Irish Open Championships in the first training cycle and the Irish Summer Nationals in the second training cycle
- The International culmination of the long course season will be the Irish Open Championships in the first training cycle and the benchmark summer LC international meet in the second training cycle. In 2021-2022, this is the FINA World LC Championships, the LEN European LC Championships or the Commonwealth Games for senior athletes and the European Youth Olympic Festival, LEN European Junior Championships or the FINA World Junior Championships for junior/youth athletes

### Full Time National Centre Athletes

- On an individual basis, such athletes may enter a Regional Championships either within the Region in which their National Centre is based or in the Region of their home club
- Such athletes who enter a Regional Championships within the Region in which their National Centre is based (where this is a different Region to that of their home club), such athletes will be eligible to compete in heats and/or finals but will not be eligible to win medals from within that Region
- Such athletes may only compete in one Region's Championships during the SC season and one Region's Championships in the LC season. The selected Region for the LC season may be different to that of the SC season

### Regional Skills Challenge (In-House)

- The Skills Challenge will provide feedback to young athletes based on their improvement over time in five predefined competitive aquatic skills
- The Challenge is open to all registered members aged 8 to 12 years in the year that the season starts i.e. in the 2021-2022 season, athletes born 2013 to 2009 are eligible to participate
- In House Assessments can take place within any number of sessions during each term (September to December, January to April and May to July)
- Clubs may choose to run these in silo or in partnership with other clubs
- Clubs will submit the athlete's best results from each term to their respective Regional Pathway Development Coach and collated results will be produced
- Athletes will receive a certificate each term as a record of their score and their progression over time

### Regional Future Challenger Series

- The Future Challenger Series will replace the Regional Development Meets
- The series will be delivered in two rounds with two meets per round (four meets in total)
- Regions may choose to split their clubs into two venues and run each meet on the same or separate days within each window of opportunity
- No qualifying times are required to enter these meets
- The Future Challenger Series is open to all competitive members aged 10 to 12 years
- Meet formats will be provided to the Regions by the NPPM
- Team awards will replace individual medals and a scoring system will be provided to the Regions
- Regions may decide to limit the number of entries per athlete and/or the number of relay entries per club
- Times achieved by athletes aged 12 years can be used to enter the Regional Age Group & Senior LC Championships
- Regions may accept entries from athletes/clubs outside of Ireland but Irish clubs/athletes may only compete in their own Region (unless two or more Regions merge to run such an event) and such events should be considered as 'Closed' in this sense

### Regional Aspiring Champions Series

- The Aspiring Champions Series will replace the Regional Qualifying Meets
- The series will be delivered as two 2-day meets – one short course meet in October and one long course meet in March
- The Aspiring Champions Series will be open to all competitive members aged 13 & over and will offer all of the Olympic events plus the 50m Form Strokes (for athletes aged 15 & over) plus relays
- These meets must have Consideration Time standards for entry into the 400m, 800m and 1500m events. Club time trial results, signed off by the Head Coach, can be accepted for entry into these events
- Any meet can be utilised for entry and LC/SC conversions will be accepted
- Meet formats will be provided to the Regions by the NPPM
- Team awards will replace individual medals and a scoring system will be provided to the Regions
- Regions may decide to limit the number of entries per athlete and/or the number of relay entries per club
- Times achieved can be used to enter the Regional Championships, Irish National Division 2 Competition and the Irish Summer Nationals provided they are within the qualification period for each respective meet
- Regions may accept entries from athletes/clubs outside of Ireland but Irish clubs/athletes may only compete in their own Region (unless two or more Regions merge to run such an event) and such events should be considered as 'Closed' in this sense

### Super Series

- The Series will be delivered as four 0.5 day meets – two short course meets in the short course season and two long course meets in the long course season, with one meet being held in each Region
- Entries will be limited to National Squad/Programme athletes and those who achieve one or more of the published Qualifying Times
- Gift Vouchers or prize money will be awarded to category winners at the end of the Series

### Regional SC Championships
