SELECTION POLICY (Swimming)

Introduction

This Policy provides four avenues by which an athlete can be selected to the Ireland National Team (“Ireland National Team”) for the 2023 World Aquatics Championships (50m). In all circumstances, an athlete is selected to the Ireland National Team for the 2023 World Aquatics Championships (50m) and not selected to a specific event. These avenues (“Selection Stages”) are described in further detail below

This Policy will only apply if:

- 1. The 2023 World Aquatics Championships (50m) are held on the existing dates of 23rd July – 30th July 2023 and/or are held in the existing location of Fukuoka, Japan. - 2. The 2023 Irish Open Championships are held on the existing dates of 1st April – 5th April 2023. If there is any postponement of the 2023 Irish Open Championships beyond this period, a new Selection Policy will be required*

The role of the National Performance Director is to compile the names of athletes, additional coaches, sports science/sports medicine practitioners and team managers who meet the criteria for nomination for selection and to make recommendations to the National Selection Panel (athletes) and the Performance Senior Leadership Team (additional coaches, sports science/sports medicine practitioners and team managers)

The National Selection Panel is the expert panel, as defined in the ‘Swim Ireland Selection Panel Terms of Reference’ which selects athletes to the Ireland National Team

The Performance Senior Leadership Team comprises of the National Performance Director, the National Performance Pathway Manager, the Head of Physical Preparation, the Head of Performance Analysis, the Performance Manager and the three National Centre Head Coaches, and is the expert group which selects additional coaches, team managers and sports science/sports medicine practitioners to the Ireland National Team
