

## TERENURE SWIMMING CLUB

Terenure Swimming Club is looking to hire a number of teachers and coaches to grow its team. The team is based out of Terenure College on the Templeogue Road in south Dublin. Our competitive swimming team has developed rapidly and we are looking to grow further. Our swimmers range from lessons with children aged 3+ to competitive athletes competing at national and interprovincial level.

Experienced coaches are preferred, however this is not a prerequisite. A Swim Ireland level 2 coaching or teaching aquatics is required, other qualifications such as nutrition, yoga, strength and condition will be a distinct advantage.

*Requirements: Only applicants with a Swim Ireland level 2 qualification will progress to interview.*

All staff involved with the club must be successfully cleared through Garda vetting prior to commencing work.

Hours: dependant on successful applicant availability.

Pay: The hourly rate is dependent on level of experience and qualification. Pay will also increase in line with qualification and experience.
