

**Dive beneath the surface with Water Babies**, Ireland's leading baby swimming company. We are on the lookout for fabulous people to become Water Babies Swimming Teachers in **Dublin and surrounding areas**.

Teaching babies a core lifesaving skill from birth is exciting, rewarding – and sometimes even challenging – but it's something that everyone at Water Babies truly believes in. This highly rewarding role involves teaching both babies and toddlers according to Water Babies' highly specialised techniques. Our ideal candidate loves babies/toddlers, loves the water and believes passionately in what we do. Plenty of enthusiasm, reliability and flexibility are also essential qualities.

We are looking for people who may already be qualified swimming instructors looking for a part time role or to supplement existing teaching hours. Additional training will be provided. Hours may vary and will include weekend work. In return we can offer excellent rates of pay, a comprehensive training package and exciting career opportunities.

There is loads of information about becoming an instructor on our website too ([www.waterbabies.ie](http://www.waterbabies.ie)) so do have a read and we'll look forward to hearing from you soon!

If you would like to dip your toe in the water with us, please send us your CV and covering letter, explaining what you feel you would bring to the role.
